PROFESSIONAL EXPERIENCE

Anchor/Managing Editor

July 2015 to Present

KNOE-TV, Monroe, Louisiana

Anchor and producer for evening newscasts. Guided the editorial process in the newsroom ensuring all content met the highest journalistic and ethical standards. Produced and promoted social media content. Participated in community events, including debate moderation, telethon hosting and other community outreach programs.

Anchor/Reporter/Producer/Host

April 2014 to July 2015

WWAY-TV, Wilmington, North Carolina

Anchored, produced, and reported for the weekend newscasts. Wrote and edited multiple packages daily and reported live from planned events and breaking news. Political reporter including in-depth investigations on local governmental organizations, and sit-down interviews with local, state, and national politicians.

Freelance Video Producer

July 2013 to April 2014

Director of Business Development

Radius Media Group, Savannah, Georgia

Produced news style content and graphics for the web-based customers of Radius Media Group. Involved in securing new business for Radius's many media platforms. Assisted in planning and development of fundraisers for area non-profits.

Anchor/Reporter/Video Producer

January 2012 to July 2013

City of Savannah's Public Information Office, Savannah, Georgia

Anchored, produced, and reported for the city's flagship news show "City Span." Created graphic media. Shot, wrote, and edited packages for planned events affiliated with the city government. Established SGTV's social media presence, effectively doubling the amount of social media views in a matter of months.

Bureau Chief

February 2010 to December 2011

WNCT-TV, Jacksonville, North Carolina

Shot, wrote and edited multiple packages daily and reported live from planned events and breaking news. Stationed in Afghanistan reporting on Marines; filing daily stories and reporting live via Skype.
