EDUCATION

The Pennsylvania State University

Bachelor of Science in Meteorology; Minor in Geosciences

PROFESSIONAL EXPERIENCE

Meteorologist

June 2014 to Present

WAND-TV, Decatur/Springfield/Champaign, IL

- Provides accurate, compelling forecasts weekday mornings to help get viewers ready for the day.
- Creates new graphics using TruVu Max to best tell the weather story.
- Co-anchors newscasts as needed, conducting interviews & reading stories.
- Updates all products on the web, radio & interacts with viewers on social media.
- Broadcasts long form coverage for severe weather outbreaks.
- Writes & produces special weather segments & stories.
- Connects with the community via school visits & volunteering

Meteorologist/MMJ

May 2011-May 2014

WTOV-TV, Steubenville, Oh/ Wheeling, WV

- Provided forecasts to the Ohio Valley every weekend, covering other shifts as needed.
- Generated countless graphics from scratch using Weather Central (Fusion).
- Shot, edited & reported on news stories on weekdays as a MMJ.
- Maintained a strong presence on social media and the web.

Meteorologist

February 2011 to May 2011

Pennsylvania Cable Network, University Park, PA

Hosted *Saturday Night Cinema*, a weekly movie series on local PBS affiliate.

Weather Intern

May 2009-August 2009

WTAE-TV, Pittsburgh, PA

- Assisted in the production of weather forecasts and on-air graphics, including a new 7-day forecast graphic.
- Relayed severe weather warnings & observations to the meteorologists/producers during live updates.
- Trained regularly in front of the chroma key & aided the meteorologists during live shots in the field.
